TalkToMeInKorean.com - Free Korean Lesson Notes
LEVEL 1 LESSON 7

Since 이, 그, and 저 in Korean can only work as modifiers, when you want to say 'this' 'that' or 'it' as pronouns, you have to add the word **거** [geo] or **것** [geot] after these words.

거 [geo] = **것** [geot] = thing, item, stuff, fact

So...

이 [i] = this

이 · 것 = **이것** [i-geo] or **이거** [i-geo] = this thing, this item, this one

그 [geu] = the, that

그 · 것 = **그것** [geu-geot] or **그거** [geu-geo] = the thing, the item, that one, it

저 [jeo] = the, that, that ... over there

저 · 것 = **저것** [jeo-geot] or **저거** [jeo-geo] = that thing over there

You can form various expressions using 이, 그, or 저 along with other words.

Example)

사람 [sa-ram] means **a person**

이 사람 [i sa-ram] = this person, this man here, this lady here, he, she

그 사람 [geu sa-ram] = the person, that person, he, she

저 사람 [jeo sa-ram] = that person over there, he, she
